- **Knowledge resource centre**

Library & Reading Room

“Reading Makes a man exact”

- The emphasis in school is on reading whether they are books which relate to the curriculum or those which enhance the thinking and writing skills from an early age. Our library has a wide variety of books on varied subjects. Books and multimedia resources on variety of subjects helps the students to rediscover the joy of self study and unfurl their mind.
- The library which attached reading rooms is equipped with carefully selected latest magazines, encyclopedia periodicals, dictionaries and newspaper of repute to keep the children updated with the current affairs.

- **Language Lab**

Through language laboratory, students can enhance their language skill by improving their pronunciation, accent and way of speaking and help them internalize the study routines and organizational strategies that facilitate the learning process.

- **Computer Laboratory**

We believe the computer is a tool for enhancing communication, information and experiencing self directed learning.

Therefore, computer science is a compulsory subject in the school and computer labs offer a lot of scope for children to acquire hands on training. The school provides two separate computer lab equipped with latest computer systems for junior and senior scholars.

## Pulse of students

### House System

The children are assigned house and within the houses the senior students are expected to accept considerable responsibility. XII competitions in games and co-curricular activities are held on house basis. The house system fosters a sense of competition and team spirit to encourage higher standards of achievement.

### School Prefectorial Body

Social responsibility, leadership and teamwork are best learnt through active participation of students selected after a careful scrutiny of their school records. Outstanding students are appointed as the perfects of school body and are entrusted with various responsibilities.

### **Co-Curricular Activities:**

Beyond books Anupam Public School emphasizes on excellence, not only in the field of academics but also on extracurricular activities, the school provides ample opportunities for students to discover themselves and develop their distinctive abilities through well-organized co-curricular activities.

### **Educational Tours – Beyond Gates.**

Picnics, outings, study trips and educational tours are organized to serve the objectives of actual experience. We take the students to the places of, historical interest, to make them aware

## **THE ARTS**

### **Activity Centre**

Pre-Primary section is the hub of activities with games and puzzles, this centre helps develop our students cognitive, analytical, communication and motor skills.

### **Art Room**

This room is dedicated to art and related activities. Training is provided in painting, drawing, craft and clay modeling. Art activities are incorporated into the students academics time – table whereby they have an opportunity to learn the basics of there skills by being exposed to them regularly.

## **Administration block**

As we enter the school, we first come across a well-laid-out administrative block which is a major hub of all administration were it is conveniently located near the entrance so that the parents can easily access it even during school hours.

Tentative office timings

Summer: 8:00 AM to 3:00 PM.

Winter: 9:00 AM to 4:00 PM.

## **Classrooms**

Classrooms are large and airy with abundant natural light to provide the right ambience for an effective Learning experience at school. A notice board, Camera, Mice & Speaker is provided in every classroom, which is decorated by both teachers and student for different events throughout the year. The classrooms are well equipped with comfortable furniture.
