✦ We have a Dream ✦

We have a Dream for Education System..

**We create a garden where each child blossoms like flower..
so infinite, so humble & so pure!**

- .. Which enables students to face, accept & conquer the life challenges!
- .. In which each little master can happily learn the life melody!
- .. Which never limits students' flight but empowers their wings & widens their vision!

We have a Dream for Child..

**To let them have exciting environment which always inspires them
to flourish with their natural abilities!**

- .. Who is never a bird in cage but a butterfly in garden, spreading its sparking colours!
- .. To let his/her natural notation be empowered enough to relay upto the horizons!
- .. To be fostered to inculcate essential skills to become a trend-setter instead of being a copycat!

✦ We have a Dream ✦

We have a Dream for Classroom..

Made & designed to bring out the infinite beauty & potential in every child!

- .. Where walls are not a boundary but the symbol of inspiring firmness!
- .. Which is never utilised as instructional zone but as platform for constructive interaction!
- .. Which is never a centre merely to occupy students but the horizon for 360° development!

We have a Dream for Teachers..

Who keep every breath reserved to teach, not by giving answers but by asking questions!

- .. Who burn their midnight oils to make the students' day brighter!
- .. Who perform as a source of inspiration & leader instead as an instructor!
- .. Who never fix their limits to ensure the limitless development of the students!

■ □ ■ About Tapasvi International School

TAPASVI Group is a well known group of Saurashtra having diversified interests in various fields.

With a noble aim to serve the society, TAPASVI SCHOOL (GSEB Affiliated) was founded under the aegis of NEMINATH EDUCATION AND CHARITABLE TRUST in the year of 2009 in the city of Rajkot.

The factual commitment of the management to set and maintain industry best standards to serve the generation next with fundamental ideology of progressive approach of education, innovative academic practices, commitment to excellence is productively responded by the society which has put the school amongst the leading educational institutes of Saurashtra region for last more than ten years.

Responding very positively with a motive to provide a state of art educational institute to the people of Saurashtra region, under the aegis of TAPASVI FOUNDATION, the management has gifted a lush green educational institute affiliated to CBSE (Pre-School and Grade I to XII), commencing its regular academics from the Academic Year 2021-22.

This is definitely going to provide an opportunity to all the learned and education savvy parents to have a trustworthy niche where students will enjoy regular studies in a very peaceful and congestion free environment.

■ □ ■ From the Desk of the Managing Trustee..

TAPASVI School always strives to provide an encouraging and exciting platform where students can ensure their holistic development.

We, at TAPASVI, firmly believe and emphasise that education is an exercise of realization instead of memorization. This can be practiced by following internationally acclaimed theory of C3 which includes Curiosity, Confidence and Creativity.

The most basic ideology of education suggests that we must promote and enrich our students with conceptual clarity to satisfy their curiosity so as to develop them as critical and rational thinkers which ultimately makes them confident to craft and create something exceptional and unprecedented.

I, on behalf of team TAPASVI, assure you that our highly experienced and committed faculty members will leave no stone unturned to achieve the ultimate goal of making our students' a true blend of higher degree intellectuality, skills, values and character along with physical, social and emotional growth.

Let's join our hands together to offer our students such a futuristic niche where they may acquire 360° strength to conquer the global challenges of 21st century.

With all the best compliments..

■ □ ■ Message from the Principal..

I humbly believe that the word "Education" encases all-round development of all the students which includes their intellectual, physical, social and emotional growth along with acquisition of productive life skills.

TIS aims to accomplish the task of holistic development of students by involving them in both scholastic & co-scholastic activities by offering them encouraging environment so as to enable them realize, explore and excel their multiple talents to its fullest degree.

At TIS, I aim to enthuse and challenge students to be inventive and imaginative in their regular learning process. I always prefer to have classroom climate such where errors during efforts are welcome inputs, students' active involvement in ongoing activities is a norm, questioning is high finishing treatment and the resultant output is shining students, capable enough to face and conquer the life challenges confidently with sound health, respect, and prosperity.

I am sure that within a very short span of time, TIS will have its regional identity as the leading centre of excellence with support, warmth and co-operation of learned parents.

Warm regards...

■ □ ■ The 3H Pre-School Department

Highly dedicated and experienced teachers nurture the students of early age group in a very playful and emotional manner so as to make them feel comfortable in learning and acquiring the basic skills through a well crafted yearly curriculum. The child centric combination makes them confident during their first experience of schooling and also make them prepared enough to take a flamboyant entry in primary department.

During their pre-school phase of life, they are fostered with a set of specially designed activities keeping 3H strategy at center which includes Heart, Head & Hand. All these activities productively ensure the basic development of their initial sense, sensibility and strength to have a perfect organ coordination ability.

Whole curriculum of pre-school emphasises activity based learning under the guidance, supervision and assistance of highly experienced female teachers. This provides very productive environment to ensure well balanced growth of various motor skills, communication capability, sensory & social sense along with imagination, logical thinking and problem solving attitude.

**LEARNING IS NEVER A SPECTATOR'S SPORT...
BY PLAYING, THEY BETTER LEARN - HOW TO LEARN!**

■□■ The 3C Primary Department

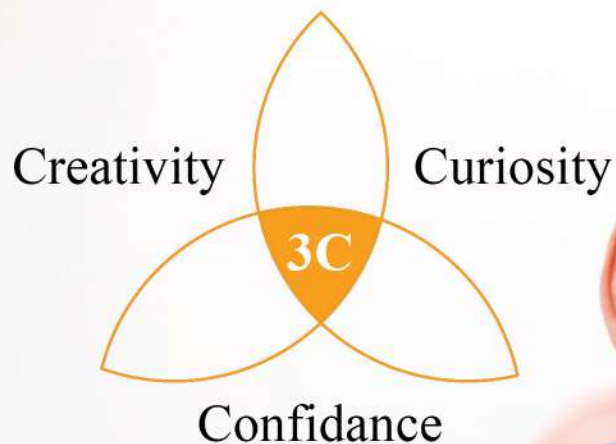

Let us agree on a global fact that the development and building of one's intellectuality, personality, skills, moral, values and character initiate during this phase of life.

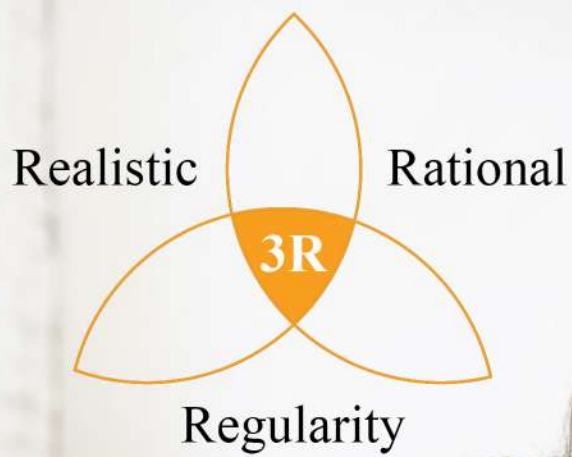

The students of this age group are always quick learners and possess high sensitivity. They must be provided with a gradual, systematic and constructive academic arrangement with a high degree of consistency to assure the transfer and grasping of the basic theory concepts to let them have a productive grip over it which is in turn, essentially required to pursue higher education successfully.

Tapasvi has high standard arrangements for the all round development of all the students during lower and upper primary education. The inclusion of ideally designed skill and value based co-curricular activities as an integral part of annual academic planning, boosts their confidence to face challenges in gainful manner.

Considering the high importance of physical growth and fitness during early span of life, tapasvi provides a well managed sports department which allows all the students undergo physical fitness activities, as an integral part of their daily schedule, at school under the guidance of fitness trainers which obviously inculcates the qualities of healthy competition and winner's attitude amongst students.

THE GOAL OF EDUCATION IS THE ADVANCEMENT OF KNOWLEDGE AND THE DISSEMINATION OF TRUTH!

■ □ ■ The 3R Secondary Department

These two are the most important and life decisive academic years in students' life. Considering the fact, we, at Tapasvi, follow completely student oriented academic planning. Our all the subject expert faculties provide productive guidance, assistance and counselling to our students by maintaining a cent percent pro-academic approach.
