Educational Trust (R)

DOLPHIN'S

Affiliated to CBSE, New Delhi

About the School

Sri. A. Nagaraj | Founder & Chairman
courage, humility, integrity and reliability in a student.

Dolphin's Public School is one of the Sidlaghatta's most prestigious Institutions. The school is affiliated to the C.B.S.E, New Delhi. It was founded by the Sri Dolphin's Educational Trust in the 2003. The Institution has been successful in providing to its students the best possible physical, intellectual, moral and cultural training in order to that each student may realize his or her own potential.

Dolphin's Public School (CBSE) is surrounded by a sprawling 3½ acres campus of breathtaking greenery. On a Scenic campus, it enjoys Salubrious climate and a serene environment free from all distractions It is a Secular, co-educational, day and residential school.

Education is the basis of all progress. It is for this very reason that we forayed into education, about 14 years ago. Over a decade and a half of experience has taught us that progress is possible only, if men and women are equally well-educated.

The entire purpose of education is not to restrict itself to imparting bookish knowledge only but inculcate humanitarian values like wisdom, compassion, courage, humility, integrity and reliability in a student.

The campus, sports and academic facilities all bear testimony to this effort. In order to promote an internationally acceptable education, our key focus has been on faculty development - providing continuous teacher training in order to deliver real value education and excellence in academics. Teachers are trained not only to teach well but are also expected to inspire confidence and trust in their students and become role models. Further, the School inculcates in the students a respect for tradition and ensures discipline and good manners.

From The **SECRETARY** of the School

"The function of education is to teach one to think intensively and to think critically.

Intelligence plus character

- that is the goal of true education."

Sri. V. Krishnappa | Secretary

The single most important gift we can bestow upon our youth is 'Education' and it is our greatest responsibility to do so. We consider it our bounden duty in Dolphin's Public School (CBSE) to ensure that every pupil in our charge is educated to the fullest extent of its capability and is prepared academically, morally and socially to take its place in Society with its best prospect of success and fulfillment. It is our task to bring together the influences necessary to make this happen in every case - good teaching, responsible parenthood, caring social leadership - to make sure that every student is correctly assessed for potential and fully developed.

We at Dolphin's Public School desire that our students have, not only well developed minds and bodies but well developed hearts, for, 'What does it profit a man if he gains the whole world but suffers the loss of his own soul?' it is with this philosophy and this attitude that Dolphin's Public School make an earnest effort to inculcate the basic values of life and the right attitude among students so they internalize that to achieve 'anyhow' and 'somehow' is not right. Means are as important as the end.

I look forward to working with the whole staff to meet the challenges of this assignment and promise you my dedicated application to the tasks ahead.

Principal's Desk

Walt Disney once said,

"You can Dream, Create, Design and Build the most wonderful ideas in the world, But it requires people to make the dream a reality this is certainly the case as a principal"

- Dolphin's Public school (CBSE) is doubtlessly an outstanding school which has ambitions to become one of the best schools in Chickballapur district.
- We offer a challenging, high quality and creative approach to learning, development, and achievement. Children's progress is monitored to ensure that they are assisted to meet their own unique potentials so that no child is left behind.
- We want our children to leave us with a strong academic foundation and also with life skills required for the future being able to debate and negotiate.
- We are proud of our Parental care and innovative activities which allow the children to work and play in a secured and stimulating environment.
- We are dedicated, focused and working together harmoniously to ensure our children, the best possible opportunity to succeed.
- Children, Staff, Parents are seen as a family, and this makes Dolphin's CBSE very special.
- Many innovative experiments are tried out every year to enhance the quality of the school, so that every aspect of every child is nourished.
- We assure all our parents better and brighter tomorrows.

Mr. Thomas Philip

Mr. Murali .M Verma

Mr. K.V. Ramana

The Vision :

Dolphin's Public school (CBSE) is to Design, Develop and Deliver quality education system, address the aspirations and abilities of all students, Nurture innovation, creativity and risk taking, sharpen environment scanning abilities of our students, Develop world class citizens, nurture and harness leadership ability among students.

The Mission :

Dolphin's Public school (CBSE) students to be competitive and successful in the 21st Century by empowering students to use effective communication skills, collaborate respectfully, think critically, act creatively and demonstrate courage and depth of character when solving real world problems and challenges passionately.

Quality Policy :

We believe in the innate potentialities of every child and provide excellent opportunities and quality education to mould him/her to be a leader and winner of the ancient Gurukulam and modern educational concepts.

We will continuously improve our performance by involving the students, the staff and the parents.

Aims & Objectives :

Education is a powerful instrument of change and the key to preparing learners for global challenges. Global citizens must essentially be lifelong learners equipped with willingness to learn constantly while engaging in collaborative teamwork replete with positive attitude. The Dolphin's Public school (CBSE) aims to-

- Build learners with a positive attitude.
- Create lifelong learners who enjoy learning to learn.
- Craft confident individuals who are able to live healthy and productive lives.
- Empower individuals with good citizenship values.
- Strengthen the learner with Life Skills Education.
- Equip learners to face challenges of the present world.
- Create an ability to compete in Talent Oriented examinations Like Olympiad, International Academic Wiz, NASO, General Knowledge, and Mathematics.
- Prepare confident individuals with strong physical and emotional health.

Curriculum :

- Kindergarten (LKG & UKG)
- Primary School (Std I-V)
- Middle School (Std VI & VII)
- High School (Std VIII -X)

Kindergarten

“Imagination is stronger than knowledge”

The preschool program is a play-based program based on the EYLF (Early Years Learning Framework) with a full time Director, full time Teacher.

At the kindergarten level, emphasis is placed on trans-disciplinary and inquiry-based learning. The Curriculum is based on the concept of multiple intelligence and also offers an interesting blend of Gurukulam with the innovations of the Western activity oriented teaching methodologies. Our commitment at this

level is to provide a supportive learning environment, which inspires and nurtures each child to reach its fullest potential. We teach the importance of moral values and showing consideration for others at a very young age.

The Dolphin's Kindergarten boasts of modern teaching technologies and amenities was quick to win the appreciation of parents within a short span of time.

In Addition to the above :

The Kindergarten curriculum comprises of subjects like English, Kannada, Hindi, Mathematics, Environmental Science, Art and Craft work, which are taught formally in classes along with the support of Smart class and related to all subjects worksheet practices will occur.

Kids Celebrations :

Along with the subjects students are participating in various celebrations like:

- Fancy dress
- Krishna Janmastami
- Ramzan
- Christmas
- Clay Modeling
- Colours Day
- Grand Parent's day

Computer Labs :

Dolphin's Public school (CBSE) has computer laboratory featuring over 50 computer systems. The computers in the CBSE lab have been upgraded with appropriate software to enable students of classes I and X to compile and run programs in different applications as per the syllabus. The Senior, Junior and Sub-Junior Computer Labs, on the other hand, enable students to learn theory and practical of the basic concepts ,Paintbrush, MS-Office, Internet etc.

Science Labs :

Dolphin's Public school has well-equipped laboratories for imparting practical knowledge in Physics, Chemistry and Biology. There is separate laboratory for each of the science subjects, for class IX and X.

The aim of having separate labs is to provide ample time and adequate equipment for every student to perform the experiments as per the CBSE guidelines. The laboratories are well-stocked with sufficient chemicals, specimens and instruments so that every student gets the opportunity to carry out the experiments individually. Well-qualified and experienced teachers guide the students to explore the world of science through a meticulously planned schedule of practical classes. Moreover, the safety of every child while handling the chemicals and instruments is duly taken care off.

Different Forms of Clubs :

Dolphin's Public school (CBSE) has formed different kinds of clubs to give more awareness and knowledge on concerned subject's. Like English, Kannada, Mathematics, Science, Social and Environmental clubs. In this children are completely involved and participated in many activities with enthusiastically and won amazed rewards. They learnt to make creative models and seminars based on their subjects.

School Library :

Dolphin's Public school (CBSE) has a well-stocked and updated library. It has a wide variety of books to suit all age groups. We have number of Moral values, mythology stories, fairy tales, Mathematics activity books, science experiments books, Grammar books of languages, Magazines and Newspaper to encourage students to keep themselves abreast of current affairs. And Also Introduced "DECCAN HERALD NEWS PAPER" to all the students and based on this every day activities will be conducted in assembly.

Smart Class Edge :

Dolphin's Public school (CBSE) has three smart classes. It implements a layered content structure in the technology-enabled classrooms using latest technology. It allows complete freedom to the teachers to use the technology as per their own choice. Professionals having years of experience in teaching have developed these teaching modules which present every subject in a manner which makes the teaching-learning process very interesting in the classrooms. As the modules are mapped to the curriculum followed by the school, they not only provide ease of use but also standardize the education process. Smart class resources comprise of animations, video clips, Virtual labs and simulated models as a part of their classroom period enabling a multi-sensory experience that improves academic performance.

Yoga and Meditation :

Yoga has been an integral part of Health and Physical Education that has been a compulsory subject up to the secondary school stage since 1988. In Dolphin's (CBSE) Yoga & Meditation plays a major role. Yoga classes increase flexibility, strengthen and tone muscles, balance hormones, cleanses and flush all the internal systems of the body, calm the mind and reduce stress. Our classes are non competitive and focus on safely progressing from easy to more challenging poses. Newly we are introduced "Heart fullness Meditation" program in our campus to have calm and peace atmosphere among the children. "Heart fullness Meditation" is a practical technique that you can use in parallel to any other spiritual approach.

CO-CURRICULAR ACTIVITIES:

Karate :

In Dolphin's (CBSE) we have a special training for Karate with the Karate Master. Every week once there will be an activity based on basics & stunts. Karate helps kids in improving their concentration in studies and also encourages them in sport activities. Karate is not only for fighting it is also for increasing self defence, control both on our body and mind and helps in gaining confidence to do anything in life and increases tolerance to pain mentally and physically. There is no age limit to learn any martial art, it just need interest and spirit.

Music :

"Music expresses that which cannot be put into words and that which cannot remain silent". In Dolphin's (CBSE) weekly once music classes will be conducted to all stages of children. And students performances will be viewed occasionally.

- Musical training helps develop language and reasoning
- Students learn to improve their work
- Increased coordination
- Music builds imagination and intellectual curiosity
- Musical instruments can teach discipline

DANCE

Dance :

In Dolphin's (CBSE) Dance & Aerobics is high-level performance to mould student's physical and mental ability. For all children it is a platform to show their hidden talents. Weekly practices held for children to show changes among them. Dance is a good source of fun exercise for young children; it is also a creative outlet. Fun exercise is important but the opportunity to release creativity is as important as exercising and maintaining a balanced diet in the development of healthy children, because of the life skills they will learn. Dancing can make a person feel physically refreshed and improve their mood, tackling serious issues including anxiety and depression, and not just in adults. Group dancing is a tool to release daily stress, a distraction from everyday worries and an outlet for imagination and emotion.

Sports :

Our Dolphin's (CBSE) stands for holistic education which includes a fine blend of physical and intellectual pursuits. In addition to conventional sports like Volleyball, Throw ball, Kabbadi, Shuttle, chess, and carom, we also offer Team Sports and Athletics. The campus provides an exclusive integrated Sports ground, consisting of a 200m outdoor track and a field stadium. Every day evening after the school special training session for interested students. We have separate training for girls Throw ball from ladies staff. We have a well qualified and talented Physical Education masters for individualized games to train students for different level competitions. Our school received awards from different challenging aspects.

Dedicated Staff :

"Teaching is not what we do..... It is what we are....."
