Facility

OUR EDUCATORS

Ms. VINTOLI CHOPHY

Ms. NGCCA SUMI

FOREIGN INTERN ENGLISH CLASS- foreigner will train our students and **NON-KARNATAKA TEACHERS** – For CBSE Primary for enhancing English Communication.

Next Education-new technology removes structural blocks and brings in advancements like adaptive learning, flipped classrooms, online textbooks repository, rapid content authoring systems etc, as well as cloud-based systems to store large amount of data. education needs to be on par with the multimedia that children of today are exposed to through video games, apps, movies and even TV. one way to keep children engaged is by gamifying education

NCERT

IMAX

Text books are meant to teach concepts to students and open up the doors of knowledge

XAMCHECK and IMAX partner with schools, supporting them in processes they follow, with learning materials & processes that are all crafted to work together as an interconnected system to drive learning.

ed21

SMART CLASS transforms student into a rich 21st century learning environment. Students can easily connect to the classroom Wi-Fi network, while the teacher stays in control, using internet freely move around the classroom

Explore minds-explore minds is a creative initiative education to school children. it opens to multiple possibilities, which enables the students to grow as innovators.

m-SURU is a math lab aims to make the process of teaching and learning simpler.

m-SURU is an amalgamation technology and education where learning is co-incidental rather than conventional
