FROM THE DIRECTOR'S DESK

Mrs. Chanda Rai
Director

I wish to thank you for considering **NINE ANGELS ACADEMY** for your ward. It's been almost ten years, we have been providing quality education at an affordable fee.

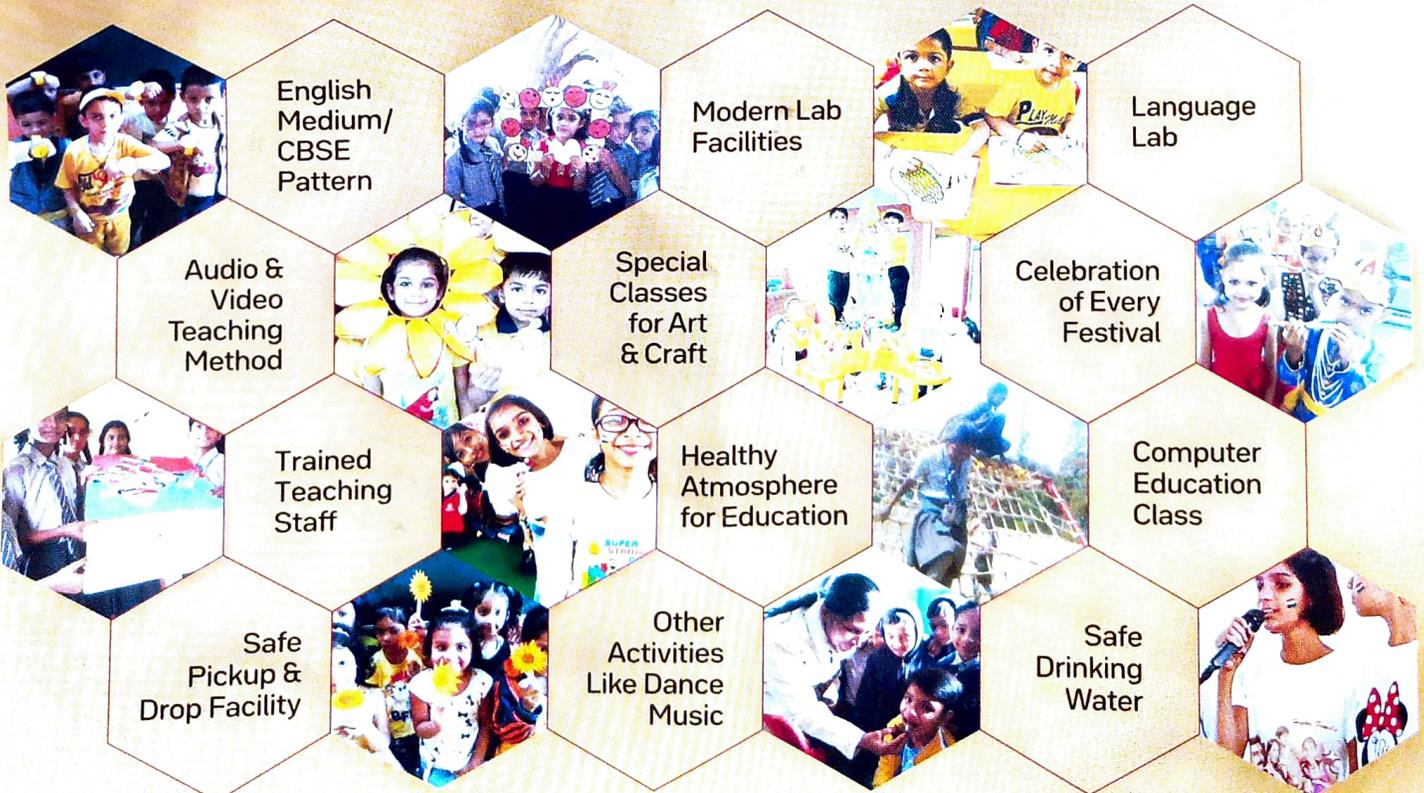

At **NINE ANGELS ACADEMY**, the students are expected to have an enriching and life-turning experience which will enable them to reach new stature in their life. We cultivate sharpening of skills and enhancement of knowledge base in our students through various extra-curricular and co-curricular activities.

The teachers and staff at Nine Angels Academy keep themselves at par with the current developments. Not only this, they also keep learning and try to become expert in their subject matter. Quality teaching, is the key to our student's success record.

We understand the expectations of parents and the peers of a young kid and assure you of a very enriching and fruitful time that your ward will be spending with us.

Look forward to your feedback and suggestions

Now we are introducing a unique teaching technique in collaboration with LEAD School which is an academic system that delivers excellent results for students which is totally different method from the

present traditional education system. The chart shown below says the actual result of the learning process of a person:

The Lead School team has a world class curriculum which is taught using technology that makes classroom learning very engaging both for teachers and students with active participation of students with their activities.

LEAD School Excellence System provides many things such as:

- Each classroom is equipped with 40 inches smart TV.
- Each teacher is equipped with specially designed Tablets for excellent teaching.
- Each parent is provided with Parent App includes homework, updates and pictures from class.
- Each child is supplied Printed Student Readers and Work books.
- Each class is done with several Visual Aids for students' participation and effective learning.
- And many more!

We invite you to join us at the specially arranged Experience Center at our school to learn more about the LEAD system, and how it will impact your child's academic results in the coming session. If you are

interested please take some time and visit our Experience Center and learn all the details displayed for you.
