PROSPECTUS

SARVODAYA PUBLIC SCHOOL

AGGARWAL MANDI TATIRI-BAGHPAT

(An English Medium Co-Educational Senior Secondary Public School)
Affiliated to C.B.S.E., New Delhi

**"Realizing the truth lying behind anything ordinary is to
equate with the Supreme Power-God"**

School : At a Glance

Sarvodaya Public School is an English medium Senior Secondary Co-educational school run under the aegis of Tatiri, Sarvodaya Shiksha Prasar Samitee (Regd.) fully dedicated to the cause of education since the inception of school in 2002. The school had got affiliation by CBSE Delhi upto secondary level in 2004 that was upgraded upto senior secondary level in 2007. The school caters to the educational need of the underprivileged children of rural territories to raise them to the level from where they can not only compete but surpass others in the modern Hi-Tech age.

Vision : SPS

SPS strives to expand the petals of kids' mind so as to make them excel in this competitive Hi-Tech age. Our main emphasis is on the 'value based education' to groom children to have excellency with 'quality'. The school has focused to carry forward the dictum 'TRUTH IS GOD' with complete dedication.

SPS is empowering the students to explore individual talents to soar in the world of science, engineering and technology. In a nut shell, the vision of SPS is to equip the students with life-skills, decision making skills and problem solving skills at the global level.

SPS : As Principal envisions it

With the advent of the 21st century, Information Technology has constricted the globe to the dimensions of a small territory. In fast changing scenario, institutions need to stress on quality empowerment. We, at SPS, are at strenuous exertion to inculcate in children the principle of 'strive, seek, find and not to yield.' Education is imparted to emphasize on the development of 3H-Head, Heart and Hand, i.e. education is to lay stress on achieving cognitive, affective and psychomotor objectives. We have to match our resources with the constantly changing demands of the environment. This calls for the paradigm shift in our perception of the goals of education.

With best efforts of revamping education system, I at SPS envision at perceptible change in the quality of life within a short span. With the firm determination of moulding the future youths of India, we welcome heartily to your ward within the portals of SPS.

Aims & Objectives

The school aims at imparting a complete and high quality education in the true sense of the word not only by way of formidably high academic standards but also by developing all faculties: Social, intellectual,

physical and spiritual. We lay strong emphasis on sports and games, co-curricular activities, indoor and outdoor activities, project and practical skills. Through psychological teaching methods and strategies the school is at the mission of acquisition of various skills for the students to prepare them for life.

SPS Infrastructure

SPS, ideally located on Baghpat-Meerut Road (3 km from Baghpat) near Aggarwal Mandi Tatiri, flourished in the calm and lush green ambience of nature.

SPS is a day boarding school with impressive hostel for boys and well equipped with all required amenities such as standard size Swimming Pool, Shooting Range, Spacious place for indoor & outdoor activities, enriched library with latest edition of books and magazines, well equipped and Hi-tech laboratories and advanced digital technology of teaching. A variety of seminars, workshops and career counseling are held time to time by the expert counselors to guide and motivate the students for future planning. Highly qualified, dedicated and well experienced staff to impart the knowledge to students and develop their skills in all the fields.

Library

The school library, having wide range of books to meet the demand of every age group and taste, endeavours to develop the reading habit and the appreciation of literature among students.

Laboratories

The school has Physics, Chemistry, Biology, Mathematics, Social Science, Language Laboratory with most modern apparatus to encourage students to learn through experiments and research.
