

## Discipline

Disciplined individuals only flourish in life, so prime importance has been given to discipline. Irregular attendance, prolonged absence, habitual late coming, disobedience and objectionable behavior may result in expulsion of a student from the school. Students are strictly forbidden from leaving the school premises during the working hours. Permission to do so will be granted only by the Principal as a special case. School property damaged or destroyed by the students will have to be repaired or replaced. In that case a heavy fine including collective fine may be imposed on student.
