

EXTRA CURRICULAR ACTIVITIES

At Green Valley School, we are committed to create unlimited opportunities for all over students. We provide a wealth of extra-curricular activities for children of all grades during and after school. We offer the most of our excellent resources and staff knowledge along with club activities.

Assessment and Valuation

In order to assess our students learning and knowledge we periodically conduct Assessments which is prepared by the curriculum experts and it is valued by our teachers. Assessment marks are entered on the nucleus which had been framed by the LEAD school, can also be seen by the parents through Parents app. Remedial measures are taken in accordance with Students' performance.

At the end of the term examinations progress card of the students is monitored and produced to the parents during Parents-teachers meeting.

We conduct parent-teachers meeting after every term end examinations in order to build the relationship between the teachers and parents.

Teaching and Learning

In order to make our students excel, we follow CBSE curriculum with the support of LEAD school. It focuses on nurturing them knowledge and skills essential for success in the 21st century.

Inquiry-based and application oriented approaches across all subjects and age groups enable students to learn about and respect a range of ideas independently and collaboratively with others. It helps them developing new perspectives and responsibility for their learning.

Our teachers make use of flipped classrooms, project-based learning, Brain forming, role play, interactive lab experiments and self and peer evaluation to make learning more engaging and effective.

Our Educational programmes help students

- To develop confidence to work with information and ideas.
- To take responsibility for themselves and their actions and be respectful of others.
- To become reflective learners and be able to identify their ongoing learning needs.
- To be creative, innovative and fully equipped for future opportunities and challenges.
- To be articulate effective communicators and to express themselves appropriately.
- To empathize with others, understand and appreciate.
- To develop as responsible individuals who enjoy a healthy, active and balanced lifestyle.
- To be engaged citizens, contribute the community and address global challenges.

MIDDLE SCHOOL PROGRAMME (VI – VIII)

The middle school programme is structured to meet children's varied intellectual and developmental needs. The curriculum is a blend of CBSE and LEAD and builds on concepts and skills learn in the primary school.

The main aim of the programme is developing skills related to writing, reading reflecting, critical thinking, public speaking and a desire to acquire a knowledge, Academic subjects include English, Mathematics, Science, Hindi, Computer Science, G.K., Yoga are integrated into the main stream curriculum and further strengthened as co-curricular activities.

Projects, presentation, group activities are more formal and research based. Inter house sports and cultural competitions encourage healthy competitions and team spirit. Students begin to contribute to class assemblies, drama production and take up roles of responsibility.

ENVIRONMENT

Green Valley School has a green and good environment. It is surrounded by many colourful ornamental plants and trees which refresh everyone. Green Valley offers students with a safe environment in which to nurture and grow emotionally behaviourally academically. As the place of change in the 21st century, continuous to increase, the world is becoming more interconnected and complex and the knowledge economy is carving more intellectual property. To overcome the challenges of the 21st century skills we equip our students to ensure their competitiveness in the globalization era, apart of just being excelled in their academic performance. We teach them digital age literacy, inventive thinking, effective communication and high productivity.

CURRICULUM

Green Valley School follows the CBSE curriculum and offers classes from KG to grade 8 with the support of LEAD school which delivers excellent curriculum through a simple technology based on delivery model.

Nucleus is a system in which we have structured School Administration, Class allocation, Subject Allocation, Printable resources, Teachers timeliness, Academic Calendar, Student enrollments and students performance in which all details exist.

PRIMARY SCHOOL PROGRAMME(I – V)

The Primary School Programme encourages inquiry and exploration and develops children's competency in various skills reading, writing, listening, speaking, problem solving, observation, measurement and use of information and communication technology.

The Primary School curriculum is a blend of the CBSE and LEAD programme. It offers an exciting and creative learning environment with an inter-disciplinary appreciation of languages, Mathematics, Science and Social Studies, Yoga, PET as individual.

Equal emphasis is given to individual, small group and whole group activities to improve children's ability to work across all levels. Physical Education develops sports skills and create health awareness. Exposure to team and individual sports encourage a sense of team spirit and individual effort and accomplishment.

The wide range of curricular and co-curricular activities opportunities offered, helps instilling in children's confidence and discipline. The focus on developing communication skills help them appreciating the value of education as it reflects in their ability to express themselves in addition to develop pragmatic skills.

Activities, Projects and Presentation provide experiential learning opportunities. Dance, yoga, Speech and Drama promote well rounded development. Students are encouraged to participate in cultural and sports events. Active learning technique like singing, dancing enhance their interest in learning books, newspapers, and magazine reading activities increase children's awareness of the world.

FROM THE MANAGEMENT DESK

Education is the basis of all progress. The entire purpose of education is not to restrict itself to impart bookish knowledge only but inculcate humanitarian values like wisdom, compassion, courage, humility, integrity and reliability to student.

We offer academics with extracurricular activities to the students as we realize extracurricular is also a part of education. I can proudly say that our students do not wear spectacles as we have been giving eye exercise as a part of Yoga. Our school has the system of educating our children to wear sandals instead of shoes as students will keep their feet and body temperature cool. We have a partnership with a leading Educational company to offer advanced and worthwhile curriculum to inculcate the best education to our students. We have witnessed the growth of students' knowledge within a short period of time by this. We do encourage our children to bring nutritious rich foods like fruits, nuts, vegetables, sprouted seeds to maintain "Sound mind in a Sound body".

Principal's Message

Dear Parents, Staff and students,

Welcome to Green Valley School. Our commitment and desire are to provide good and strong knowledge with discipline that will empower the students to become innovative thinkers. Problem solvers and inspired learners to face challenges in the society.

We offer education with extracurricular activities like Karate, Yoga, Table Tennis, Badminton, Chess, Carroms and others. We celebrate each student as being individual and unique and we support. Our staff is highly skilled and experienced. I am passionate about students being empowered to succeed. I use all tools available to inspire students, staff, and community to work together to promote students achievement and well being. We encourage students to develop respectful relationship with their peers, teachers and community.

I am confident enough that "Green Valley School" will make students stronger day by day for the betterment of the school and society.

DISCIPLINE

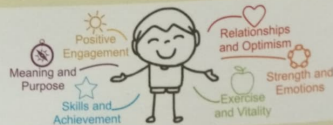

Discipline in school life is very important for students. We can not be well educated without discipline in school life can cost students later in their career.

Green valley provides students with the education foundation to build successful independent lives. Class room disruptions interfere with students achievement.

Students of Green valley come to school in proper designated uniform with top buttons fastened, shirts tucked in and ties at the required length.

Discipline policy at Green valley is very good and is often connected on by visitors and parents. Children have many opportunities to play together and develop friendship. Our discipline policy is periodically monitored and exhorted.

STUDENT WELL-BEING

We recognize the importance of meeting the unique learning needs of every child by providing a safe, supportive and respectful environment. Through individualized attention that appreciates children's learning styles and differing abilities by helping them cope with emotional challenges and by providing them guidance to select higher education pathways we work for their well-being, within the school and beyond.

We place emphasis on helping students develop essential life skills. So they are better prepared for the opportunities, responsibilities and experiences throughout their life.

HEALTH AND SAFETY

We aim to maintain a high standard of hygiene and children are encouraged to wash their hands after going to the toilets and before eating. The school has a full health and safety policy available on request from the office. Nobody is allowed to park in the school unless they are eligible to do so.

Accidents happen in school. In the event of children meet with an accident, parents will be contacted. Our school staff are well trained in first aid. Details of the students who meet with the accident are sent home with the child.

"Persistence can change failure into extraordinary achievement"

-Marv Levy

Sports and games are the epitome of hard work and dedication. Green valley school provides sports facilities include volleyball, Badminton, Kho-Kho, basket ball as outdoor games and Table tennis, Chess, carroms and Pallanguzhi as indoor games.

OUR MOTTO

Discipline, Respect and Knowledge is our motto. All students are educated and trained

VISION

1. To provide value-based education and thereby producing good citizens of India.
2. To prepare the students

- both physically and mentally sound and strong
3. To prepare the students to achieve the highest standards in education.
4. To impart sound knowledge in all subjects
5. To develop proficiency in three language i.e., Tamil, English and Hindi.
6. To develop scientific attitude in pupils and prepare them to pace with the fast growing modern world of science and technology.
7. To inculcate aesthetic sensibility and develop taste for and mastery over the arts of various kinds in students.
8. To develop leadership qualities.
9. To develop the feeling of patriotism and sacrifice.
10. To instill the spirit of universal brotherhood and sense of right discipline, conduct and character based on our esteemed culture and heritage.

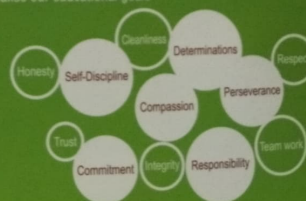

MISSION

Our Green Valley School prepares students to understand, contribute and to succeed in a rapid changing society. We ensure that our students develop the skills of education and the competencies essential for success and leadership. We will also lead in generating practical and theoretical knowledge that enables people to better understand our world and improve conditions for local and global communities.

OUR VALUES

Our values and attributes which align with our guiding statements are integral to create a school culture and climate to realise our educational goals

ADMISSION

Every parents wishes to make their children succeed in life. Green valley school has a proper plan to provide knowledge oriented education to the students who seek admission in it.

At Green valley school, admission is taken in classes KG-I, KG-II, on the basis of verbal test and their ages producing their birth certificates.

Minimum age of students for admission to nursery is 3 years on 31st March in the year of admission Students who seek admission in Green valley school for the grades VI, VII, and VIII are given admission on the basis of entrance test and producing their transfer certificates of their previous schools.

TRANSPORT

Green valley school facilitates transport for the students in and around Hosur. We have good condition buses with highly protection to the students. We have installed speed governor in the bus so that the bus will not allow it beyond the prescribed speed by the government. We always manage the bus to reach both their residents and the school on time. We have highly experienced and co-operable drivers who possess licence with them. Students are advised frequently to behave and follow the safety and rules when they travel in the bus.

KINDER GARTEN PROGRAMME LKG AND UKG

The Kinder garten Programme inculcates in children the qualities of curiosity and discovery in a fun-filled, safe and happy learning environment. The emphasis is on developing in students with self confidence and ability to effectively communicate in English as well as in their mother tongue. Teachers ensure this through effective use of language and by encouraging children to express themselves freely.

A well-balanced curriculum and theme based instruction help the young minds integrate their learning smoothly. The emphasis is on exploring, knowing, understanding and farming their own ideas. The principles of learning applied in Kindergarten include Holistic Development and learning (Aesthetic and Creative Expression, Language and Literacy, Numeracy, Self and Social Awareness); Integrated learning. Active learning, Supportive learning, interactive learning and learning through play, the curriculum prepares children for a smooth transition to a more formal primary

The KG Programme makes use of a range of individual and group activities which create a lively and positive learning environment, games, songs, creative projects, story telling, role-playing, drawing and painting help developing children's foundational skills in literacy and numeracy curriculum.
