

C.I.S. School Brochure

1. About our school: C.I.S CBSE school is founded and managed by Sri. Sai Samskruti Educational Trust. The trust was established in the year 2018. Which provides the quality education in Kalyana Karnataka (H K region). The School is built on Indian ethos steeped in our culture and values of FIAGE (Faizul Islamic Academy of General Education), which is known for its unique and restless service for the communities from ten years. The mission of the trust is committed to enhancing value education and to uphold the rich and holy Indian culture and fraternity through the education.

2. Our motto: To support all & to make happy through Education.

3. Our Vision: Our vision is to provide a positive, engaging, and nurturing environment, focused on science and technology, where students will develop a strong self-esteem and a zest for life-long learning to reach their fullest potential and become a great human with moral values and rich culture of true and patriotic Indian.

4. Our Mission: At C.I.S. High school our mission is to empower all students to achieve their maximum potential. By fostering an engaging, inspiring, compassionate and challenging learning environment, we will create a culture of literacy and life-long learning that encourages our students to become confident, self-sufficient and respectful citizens.

5. President's Message. . . I take pleasure and pride in stating C.I.S CBSE school has been successful in providing the best and proving the words of Swami Vivekananda- **"We want the education by which Character is formed, Strength of Mind is Increased, The Intellect is Expanded and by which one can stand on one's own feet"**.

We have carefully trekked up the valley of challenges and consistently striving for better and best. We have placed a slot in the field of education.

I hope to witness the school and its members reach the peak of their success, thus creating a bright future generation.

6. Principal's Message: I thank Almighty for giving this privilege to be the Principal of this wonderful school, I am proud to work with our students, staff and our families to make our school very best at it can be.

My aim is to lead our school community to enable us to work together to create a safe, nurturing and achieve our goals.

yet challenging environment that is built on positive relationships with moral values developing the whole students – emotionally, socially, academically and culturally.

We use innovative techniques, rich resources, proven instructional strategies and engaging programs to promote student learning, and on their curiosity enquiring a desire for knowledge and a set of skills, linguistic mathematical, scientific, artistic, physical, emotional and social with cultural and moral values.

Our students become strong in self-esteem and personal expectation and develop a healthy and respectful tolerance for others.

There are many opportunities for parental involvement. We hope that through your participation and interest you will also come to feel very much a part of our school and its warm and generosity of learning the best.

7. Infrastructure: C.I.S. CBSE School is all set in a 16 Acre at the outskirts of City with a beautiful and pleasant place with lot of trees and environmental aspect and designed to be an ideal grooming ground for young citizens. The institution has been modeled to facilitate the finest educational services and enhance all-round development of children. All classrooms are fully equipped and colourful. Modern science and math lab with lot of safety and security concern, the school building is as awe inspiring as it can get.

8. Our Curriculum : Our Curriculum is child oriented emphasizes learning at the individual's space. The emphasis here is not the content but on the skills that a child needs to acquire.

C.I.S is an English medium, co-educational day and Residential school set in an idyllic space and atmosphere. Its serene location, secure environment, aesthetic infrastructure and complementing ambience make it an ideal setting to acquire knowledge.

C.I.S follows **CBSE**(Central Board of Secondary Education) New Delhi, Which is the most progressive and accepted educational board of studies in the country.

17. Math Lab: C.I.S Math Lab is equipped with text based activities which makes hand on learning. Our lab provides math activities from students of Grade I-X and gives practical solutions to encourage applying in their daily life. All math lab equipment are handy and instructions oriented.

18. Science Lab:

If you teach I forgot, if you explain I remember, if you demonstrate I understand, science should be dealt, it kindles student's curiosity. In this regard science should be taught with more experiments. To make science inquiry based learning, C.I.S. composite lab and science working models will help us to demonstrate it practically and enjoy and enjoy learning by doing.

19. Caring and Coaching: Mentoring is an essential aspect of the school life. Effective mentoring by the teachers is one of the finest ways of realizing the potential of a child, every teacher in C.I.S High school is trained in the art of mentoring and primary aspects of counselling. Every teacher is allotted 10-12 students. Teacher is designated as mentor, who takes care of the physical, academic and psychological needs of his/her mentees. This mentor is called as the school parent of the child. The mentor meets his/her mentees on regular basis to keep a track on child's behaviour. Mentor also will have 1-2 rounds of house visits of their mentees to know the family culture of the child.

20. Co-Curricular Activities. Co-curricular activities are an integral part of our curriculum. All these activities are encouraged by providing the stage for students' talents. The school building will also provide an ideal atmosphere to cherish the co-curricular activities. Art, Music (vocal and instrumental) Dance, yoga and theatre activities will be accommodated in the afternoon sessions. Our co-curricular activities will even continue after school hours as hobby classes. Interested parents can avail these facilities.

21. Orientation: C.I.S. High school has initiated IIT-NTSE foundation courses, Olympiad classes, Abacus and Vedic Math classes on Sunday. This 25 weeks of package will be provided to students from grade three onwards. These classes are mandatory for VI, VII, VIII and IX students. Special coaching classes are run for Grade IX and X students as parallel to the resource classes.

22. Cultural Clubs: C.I.S. High School is initiating the Dance, Music, Taekwondo, Art and craft, Hand writing, Abacus, Vedic Mathematics, Skating, Sports and Games are planned after school hours to promote the hobbies and interests among the students. This will be platform for the students who are good at co-curricular activities to boost their talents, this will make school as community resource centre to train not only our students it will also allow other children to get benefit of these cultural clubs.

23. Social Awareness Programmes:

Swachh Bharath , Fit India. And Global Warming.

C.I.S.High school really eager to produce the best citizens of our country, who can be educated, kind and understands the importance of health and hygiene of a youngsters, with this air the entire cruise has great patriotic feeling to bring the best of their practices among the kids through the Indian plans and schemes like **Swachh Bharath , Fit India & Global Warming.**
