Our School

Arokia Annai Academy Secondary CBSE School was established in the year 2017 by Dr. D.Maria Victor, Chairman of the institution. Our motto is "striving to serve the society in the field of education for the development of rural people". The ambition of the founder is to have a school campus away from all sorts of pollution of the city with Green foliage, Open spaces, Play ground and Comfortable ambience.

AAA Secondary CBSE School aims at Providing Quality Education with state of Art Facilities that natures a generation of Positive change makers. We aim at Augmenting Conventional education system into a system that explores more openness in education imparting creative out of box thoughts developing every student and holistically transforming them to action takers for progressive and Inclusive growth.

The school is suitably located in Kulasekharapuram village which is connected by Pothayadi - Mylaudy Road.

Vision

"Empowerment through enjoyable education and ethical excellence".

Mission

"To develop in our children a quest for learning with immense happiness and complete freedom".
